

Grifco® Direct-Drive Cable Winch*

Let's grow together®

For Poultry Feeder and Drinker Applications

These direct-drive poultry winches have been specifically designed for the electric lifting of broiler feeder, drinker and perch lines in typical poultry houses. The winches have been independently tested and are supported by a one-year warranty.

Key Features

- Designed and tested to perform in corrosive environments.
- The high-quality motor and gear box are fitted to a rigid 0.24-inch (6-mm) steel frame.
- Manual override permits operation in the absence of power.
- Built-in mechanical limits result in perfect positioning every time.
