

Grifco® Direct-Drive Belt Winch*

For Poultry Drinker Applications

These direct-drive poultry winches have been specifically designed for the electric lifting of drinker lines in typical poultry houses. The winches have been independently tested and are supported by a one-year warranty.

Key Features

- Designed and tested to perform in corrosive environments.
- The high-quality motor and gear box are fitted to a strong, versatile belt.
- Manual override permits operation in the absence of power.
- Built-in mechanical limits result in perfect positioning every time.
